

Thanks to all teams participating in the 17th Annual LNSC Fall Classic! This year's tournament played host to 181 teams, the largest number ever for the Fall Classic, from the states of NC, SC, VA, and WV!

While we want to thank each and every team that participated in this year's event, we want to send our specific congratulations to the tournament Champs and Finalists in each division. Well done! We hope to see each of you returning for what promises to be an even better 18th Annual Fall Classic next November!
